

Flat Ada Wants a Home

Ada needs a safe place for her babies. So, she must lay her eggs in water.

1. **Look** for water in your yard or near your house.
2. **Draw** where you think Ada might like to call home.

Places with stagnant water that Ada Likes:

- Plant Saucers
- Toys
- Puddles
- Buckets
- Bottle Caps
- Green Pools, ponds, and fountains
- Anything that can hold WATER!

Flat Ada Wants a Home

Directions: Cut out Flat Ada and take her with you wherever you go. With parent permission, take a picture with Ada and tag us in your social media posts.
