

Protect yourself and your community from mosquitoes and their diseases.

☐ **Tip** out all trapped water around your home every week.

☐ **Toss** all items that can trap and hold water.

☐ **Protect** yourself from mosquito bites:

1. Wear INSECT REPELLENT with one of the following CDC-recommended ingredients:

- Oil of Lemon Eucalyptus (also known as PMD)
- DEET
- Picaridin
- IR3535

*Ask an adult to apply repellent on your skin.

2. Wear loose-fitting long sleeves and pants.

3. Fix tears or gaps in window or door screens.

Items that DO NOT protect you from bites:

Bracelets & Stickers

Candles, Citronella, and other "mosquito plants"

Belt Fans
