

Match the Source!

Did you know that mosquitoes grow in water? Water can collect anywhere!

Game Rules: 1-2 Players

- Cut out the squares and place them facedown
- **GOAL** - Match the most pairs of squares
- On your turn, flip over one square and find its matching square
- If they match, keep the pair! If they do NOT match, put the squares back and the next player gets to go
- Play until all of the source squares are matched
- The player with the most matching pairs wins!
